**Subject:** English Language Arts  
**Level:** Infant 2  
**Strand:** Reading  
**Topic:** Vowel Digraphs

---

## Vowel Digraphs

When two vowels go walking,  
the first one does the talking,  
it says its name.

**Key Point:** Sometimes when two vowels are together, the first vowel says its own name. The second vowel is silent.

E.g. lēaf    ōak
